

# DLR 2021 Remote Learning Protocols

## **Asynchronous Learning Day** - (limited teacher support)

- All work must flow through Google Classroom
- All assessments must flow through Google Classroom
- Student/parents primarily responsible for the day's learning
- A video and/or any other supplemental learning resources of a day's instruction from teacher must be uploaded by 9:00 the day of asynchronous learning
- Students complete assigned activities/assignments at own pace for the day
- Aides will be available through Go Guardian to support the pod they are assigned
- Teachers will manage all grading and gradebook for remote learners

## **Synchronous Learning Day** - (live classroom instruction, full teacher support - students must join their Google Meet session for each scheduled class period according to their A & B day homeroom/pod schedule - available in Power School)

- Teachers will hold office hours from 7:30 - 8:30 am and 1:30 - 2:45 pm
- All work must flow through Google Classroom (Google Meet Link must be available in Classroom)
- All assessments must flow through Google Classroom
- Teachers will hold a live Google Meet session for homeroom
- Teachers will hold a live Google Meet session for at least the first 35 min. of each 60 min. core class
- Teachers will take attendance for every class period (attendance will consist of the student logging into the Google Meet session and actively participating through video and or audio being on and/or contributing through the chat box)
- Students must engage live at home in a room that is school appropriate and must dress school appropriate (Google Meet Link in Google Classroom for live session)
- Students must complete activities/assignments per the due date provided by the teacher
