18. Dr. Mahoney presented the Preliminary Budget. Dr. Mahoney explained that our EAV is still below 2008 values which limits our local revenue. Additionally, based on ISBE's Evidence Based Funding Model the district is underfunded by \$4.7 million dollars. Dr. Mahoney also broke out expenditures and highlighted that 84% of our expenditures are attributed to salaries and benefits for employees. Dr. Mahoney stated that this projected budget will bring reserves down to 55% of our operating budget and reminded the Board that 50% was the minimum fund reserve goal the Board had established. Dr. Wills asks about the law suit for Evidence Based Funding, it is still going through court.

19. Administrator Reports:

- a. Mrs. Virgil updated the board on the decision to start Pre-K and Kindergarten on different days this year from the rest of the elementary. They have had an overwhelmingly good response and it is a practice they will continue to do. Dr. Wills commented on how nice Meet the Teacher Night was as a result of the change in kindergarten and the extended time.
- b. Mr. Crandall discussed progress with Project Lead the Way at DLR and the professional development that Mr. Rogers attended this summer. Chrome books and ID's have been

distributed and it is acknowledged that there will be a bit of an adjustment period with it. Mr. Crandall wanted to thank the tech department for moving Justin to DLR because of how helpful he has been already.

- c. Dr. Deininger feels like the school year is off to a great start. The high school is offering new courses this year. Mr. Yordy is helping to build new curriculum. Project Lead the Way is going well and the students are very excited to participate. The high school has 13 new students this year, 4 of which are foreign exchange students.

20. Old business: None

21. New Business:

- a. Dr. Mahoney presented the idea of a Staff Tuition Waiver. This would waive the cost of tuition of children of employees of the district. Mrs. Virgil commented that it would be a great benefit to bring in talent to the district that we may not have due to the area they live in. The board agrees to discuss it further.

22. Other matters before the board:

- Dr. Mahoney recognized Dr. Reed and her colleagues for their work on a book focused on rural literacy. He encouraged everyone to read the chapter that had been provided by Dr. Reed.
- Dr. Deininger presents on the Athletic Project. Things are moving along very well. They have subgroups working on different parts of the plan. Mr. Lawton has started working on the Athletic Action Plan. Molly Baker asked about the plan being presented during Athletic Orientation. Dr. Deininger encouraged everyone to walk through the tunnel to the Black Hawk Center and view that work that Mr. Lawton had done. She is excited about how motivating it is to our students.
- Mrs. Virgil passed out summer meeting summaries. The meetings revolved around what it means to be an OES student. Parents and students are meeting and Mrs. Virgil would like to meet with 5th and 6th grade to have input on what it means to them to be responsible.

23. President's Prerogative: None.

24. Motion by Haugh, second by Guzman to adjourn from meeting. All voted aye. Motion carried.

25. Meeting adjourned at 7:10 p.m.
